Dear Teri:

On behalf of the New York State Office of Parks, Recreation and Historic Preservation, I would like to thank you and your band for your participation in this year's fourth annual Fall Harvest and Seafood Festival at Captree State Park. You and your band were punctual, courteous and flexible and sounded absolutely amazing!!

Despite the unpleasant early morning weather on Saturday, we had approximately 8,000 visitors and thousands of people were able to enjoy the sounds of *Teri Lamar and New Company* for the first time in Long Island State Parks. I cannot tell you how many people were talking about your performance and wishing that you were performing again on Sunday.

I appreciate all the effort and enthusiasm you brought to the Festival. Please extend my sincere thanks to your entire band and we look forward to working with you again on future events.

Sincerely,

Jessica Anderson
Special Event Coordinator
